Principal's Message

Dear Friends,

"Gratitude is not only the greatest of all virtues, but the parent of all others" said Marcus Tullius Cicero. Yes, gratitude is the overwhelming emotion that grips me at this juncture, as we release the second edition of Desalites news and more. God Almighty has been more than gracious to the desalite family in our endeavors and never shall we cease to sing his praises. His edition of the Desalites is the fruit of the tireless hard work and commitment displayed by the editorial team under the dynamic leadership of Sir Pawan Upadhyaya. Every contributor of the stories has done their part so wholly, that nothing was left to chance. My gratitude to them.

As the curtain falls to one more eventful year in the history of SFS School, let me salute my colleagues-the jewel of the SFS family-our ever committed, passionate, focused and target driven teaching and non-teaching staff. They are the strength, the powerhouse, and wellspring of every good thing that happens in the Desalite family. My gratitude to them.

The Desalites-the flowers of the Desalite garden-the ever smiling and vibrant students-my gratitude to you for being so passionate in your academic pursuit, ever creative and energetic in your co-scholastic domains and gentle and disciplined in your demeanors and approach. My gratitude to you.

My gratitude to Rev. Provincial for his guidance, Rev. Fr. Emmanuel Uppamtha-dathil the Manager for his inspiring leadership, Rev. Fr. Shaju for his collaboration, Rev. Srs. Rosa and Merelena for their tireless hard work, the ever supportive Parents, Board Members, every collaborator and well-wisher for their support and encouragement. My gratitude to one and all.
